Feb. 19, 1925.

Mrs. Mary Greene Wilson,
Mt. Pleasant, Texas.

Dear Cousin Mary;

I was delighted to receive your letter and likewise the photographs of the family. Your Uncle, Judge James W. Greene, often visited my Father's home when I was a very small child or really a baby but I do not remember him. Of course, your Father and Mother left before my day. I remember the Wyche family that formerly lived around Strouds cross road near Uncle Alie Adams but I didn't know until the last few years that they were related to the Greene Family.

I leave tomorrow for New York, will be there just a few days as I am to meet Durward when he lands next Monday on the Cunard liner Carmania from Liverpool. I will go around and see Cousin Jennie Corbin and likewise Adelia, Floyd's widown while I am there. We thought a lot of Floyd, often visited his home while I was in New York and on one occasion spent a week in his home during the war as I was in New York then every six or eight weeks. We thought a lot of Floyd but were never very close to his wife, she was a Miss Myers of Augusta, Ga.

Some time this spring I expect to surprise you people and come to see you but can't tell just now when. On account of the shortage of labor I have almost closed down my 3,000 acre farm over at Piedmont, Ga. and have sold between sixty and seventy mules from the farm, have about twenty plows left over there and it looks like I will have to sell some more mules.

I hope to send you some photographs soon of Evelyn(Mrs.J.A. Cason) also Jessie, the girl that was in Chicago. We have had the Flu for the past two or three months and they are just getting well. I think Durward must have likewise had the Flu in Europe as he wrote like he had something of that kind. Durward's family are all well and his three children are unusually attractive. We are expecting you to come to see us and by the way you look just like my Father's youngest sister, "Amanda Virginia", she died at the age of twenty-six unmarried while her Father was living at The Rock and just a year or two before he died.

With my most sincere regards I beg to remain

Yours very respectfully,
